

CROWDER CIVIL & ENVIRONMENTAL

GEORGIA MATOC WIN

Apex, NC (10/01/2010) Crowder is happy to announce that our team of Brantley Construction Company, Moseley Architects and Crowder Construction Company has won a \$100 million Georgia Multiple Award Task Order Contract (MATOC).

This will give Crowder a tremendous opportunity to pursue various projects at Georgia and other military installations in the southeast region.

This contract was heavily sought after and is Crowder's first multiple award contract. Our team was one of five teams selected out of 48 proposals submitted.

Congratulations to our team for a successful pursuit! We look forward to performing successful and high-quality projects through this contract.
